NOTICE.

THE Undersigned Firm has been established
in Hongkong for more than Thirty
YEARS, and has heretofore a branch establish-
ment anywhere. All Orders for Goods have been
executed under our own supervision and the best
materials used.

We have always enjoyed the patronage and confidence of the Gentry and Merchants of Hongkong and Ports near and far, but now we are afraid that as another firm has lately been started having a SIMILAR HONG NAME, our Customers may be misled and induced to think it is identical with ours.

Accordingly we give notice that we have NO CONNECTION WITH ANY OTHER FIRM, and respectfully ask our Customers and the Public to pay particular attention to our Address, given below, and our Chop, which is stamped on all our Goods, and without which none are genuine.

Correspondence for the West Indies (except the United States, Mexico, Central America, and the Republics of Colombia, Venezuela, Ecuador, Peru, Bolivia, Paraguay and Uruguay) can no longer be sent via San Francisco.

LETTERS FOR THE UNITED STATES BY SAILED VESSELS.

When it is desired to forward letters to the United States by a sailship which is necessary as carrying a mail, it is only necessary to post the letters in the ordinary way, marking them with the name of the vessel, and prepaid ^{for} per half ounce as usual. This Office then takes and despatches the duty of obtaining notice of departure and despatching the correspondence. It is

requested that the letters be posted at possible
least one day before the date fixed for sailing.

Many boxes of letters are received at the Office not sealed, that is to say, the boxes are fastened with sealing wax, but there is no impression of a seal.

The attention of boxholders is called to the necessity of carefully sealing such boxes with some recognisable seal, and of sending a book or receipt with them. The omission of the latter precaution leaves a doubt as to whether the contents of the box ever reached the Post Office; the omission of the former, whether part of them might not have been abstracted for the sake of the Postage Stamps.

To provide means of remitting small sums of money to or from the Colonies, and to

the Ports of China, the Postmasters and Agents of this Office are allowed (but not required

The Stamps tendered for sale must not exceed \$50 in value, must be perfectly clear and in good condition, and in strips of at least two. Separate Stamps will be purchased. The stamps must be presented personally or accompanied by a note.

Mr. Gilbert, the dramatist, was told that the judge, more interested in society than judicial capacity, had complained of the farce *Tryal by Jury*, on tending to make the law ridiculous. "I do not see," remarked it, "why he should monopolize that privilege."
